What's on this week?

This week, Kris Bolam, the Mayor of Frankston will be our guest speaker and will be telling us all about developments in Frankston.

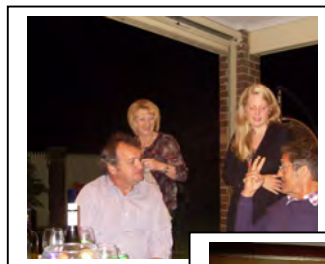

Last weekend was the very successful 30th Birthday Charter Night celebration at Mornington Racing Club Committee rooms. We all had a great time with lots of laughs and a most fabulous meal prepared by Wise Choice. If you weren't there you should have been because it was a great night but with a sad farewell to Charter Member, Ian Armstrong who has resigned after 30 years as a member of our club. Ian entertained us in his usual fashion with his memories and the history of our club over the years since charter on October 5th 1981. The books of our club history and lots of very funny photos were available for all to see.

Ian will be very much missed as our favourite Sergeant at Arms, but I am sure we will see him and Mary at club functions in the future and from time to time I am sure we will be able to get him to come and tell us what he has been up to with his valuations that are taking him and Mary all around Australia.

This week has been a busy one with our favourite daughter, Nicola (Nici) Von Hobe arriving from Germany with her parents, Michael and Gesa for a 3-week holiday. I think they are going to be worn out by the time they go home as Nici is trying to show them all the

things she saw in the 12 months she was here on Youth Exchange.

On Friday, all her host parents and their families and a few other club members attended a BBQ at the Carter's place. Many thanks to the Carters for another great night of fellowship! A little bird told me that a couple of our club members didn't go home until after 2.30am!

Sunday 23rd October is the day for our next Bunnings Sausage Sizzle, so please let Steve Cernotta know your availability for the roster.

Don't forget to book your tickets for Saturday 12th November - the Orphans of Ghana Gala Ball at Mornington Racing Club.

See you ALL on Thursday!
